

CLASSES AND WORKSHOPS

TERMS AND CONDITIONS

CONSECUTIVE AND NON CONSECUTIVE CLASS BLOCKS

Classes are booked in blocks of four sessions at a time, with subsequent blocks renewed the week following the 3rd session in a block if paying online. Alternatively you can pay for further block in class on your fourth session via cash or contact less card payment. If you select the consecutive option, any sessions that you happen to miss after you have attended the first session of a block, will be lost. The non-consecutive option gives the flexibility of attending four sessions over an 8 week time span and is ideal for people who may not be able to attend every week during a normal four consecutive week block.

Once a block has been booked there is no deadline for when it can be activated, which commences upon attendance of your first session., Please note however that once a place has been booked and allocated, the fee will not be refundable under any circumstance.
